100 DAYS OF SCHOOL CELEBRATION

We are excited to share that we will be celebrating 100 Days of school! This milestone is a wonderful opportunity for our students to reflect on all they have learned and achieved so far.

- Reflecting Our School Values in Assemblies

In the coming weeks, we will be focusing on our school values through special assemblies. These sessions will highlight important themes such as respect, responsibility, honesty, teamwork, and environmental care. We encourage all students to actively engage and reflect on how they can practice these values in their daily lives. Stay tuned for more updates!

Israa and Miraaj Celebration

Israa and Miraaj celebration is to remember the Prophet Muhammad's birth. It is a time to reflect on the importance of faith, prayer, and dedication. The celebration helps students learn about this important event in Islamic history and encourages them to strengthen their connection with spirituality.
