

KG September Newsletter

DIPS, in partnership with parents and community, strives to ensure all students are digitally literate, lifelong learners, productive citizens and nurture their well-being in an inclusive learning environment.

We are excited to begin this wonderful journey of learning, growth, and fun with children, **AY 2024-2025** school year. We have so many fun things planned!

In kindergarten, every day is an adventure filled with discovery, creativity, and important foundational skills. From learning letters and numbers to exploring art, science, and the world around us, this year will be an exciting time for your little one's development. Our focus is on creating a safe, nurturing environment where each child feels valued and confident to explore, ask questions, and try new things.

Here's a brief look at the first few weeks:

- **Settling In:** We spent time getting to know one another, adjusting to routines, and making new friends. Our goal is to make every child feel comfortable and happy in their new classroom.
- **Curriculum:** We are excited to dive into engaging activities that foster language development, early math skills, social interactions, and emotional growth. We will be incorporating hands-on learning, play-based experiences, and lots of movement to keep our students active and engaged.
- **Classroom Values:** In line with our school's vision, we will emphasize important values such as respect, kindness, and responsibility, helping each child grow not just academically, but also as a caring and thoughtful member of our school community.

Back to School Activities

المسلم الصغير في الروضة

قام الأطفال بالإحتفال بذكري المولد النبوي الشريف والتعبير عن حبهم لرسول الله بعبارات جميلة .
